

Hello lovely readers!

My name is Jen Carney.
I'm the author and
illustrator of these six
books, all published by
Puffin.

They are contemporary comedies
that represent different types of
families (like mine!) through fun
stories.

My **B.U.G.** series is written in diary style and contains lots of
interactive elements and games to try, and my **The Day My...**
series contains loads of comic strips and cartoons alongside
each story.

Do you like reading? What kinds of books do you like?
Mysteries, fantasy, graphic novels, non-fiction, poetry? Or
something else?

I LOVE reading. My favourite types of books are those that
make me laugh out loud. I also love gripping adventure
stories, books that transport me to other worlds, and stories
that help me to understand more about people who are
different to me.

My very best wishes to you,

Jen Carney 😊

P.S. If you've not found a book you love yet,
keep trying various genres and different
authors. The very next book you open could
be the one that's PERFECT for you.

P.P.S. OBEY THE BISCUIT LAWS 😊
